

EMPLOYMENT OPPORTUNITY WITH BANYAN GOLD: Core Cutter / General Labourer

Banyan Gold Corp. ("Banyan") is a TSX Venture mining company focused on advancing its AurMac Gold Project, near Mayo, Yukon adjacent to Victoria Gold's Eagle Gold Mine. To learn more about Banyan, visit www.banyangold.com.

Job Description

Banyan is looking to hire a **Core Cutter / General Labourer** at our AurMac Gold property located in Mayo, YT to join our team for the 2024 mineral exploration season. The primary duties of this position will be splitting core using a diamond saw, bagging and tagging the cut samples, and organizational management of the cut samples. Other duties may include, but, are not limited to moving pallets of core using skid steer or pallet jack, troubleshooting sample issues, and assisting geologists and geotechnicians with various core shack and field activities.

This position will be field based and is anticipated to begin at the end of May or early June. This is a full-time contract position with opportunities for career advancement in a growing company.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

Main Tasks and Responsibilities

- Safety of self and others
- Working with a team to conduct job risk assessments and safe work plans ahead of the work being completed and performing work in a safe and well-managed manner
- Team player: must work well with in diverse groups of people for extended periods of time
- Able to work independently when required
- Have a positive and pro-active attitude towards environmental responsibility, health and safety, and respectful workplace practices
- Be detail oriented and strive for accuracy and consistency
- Perform tasks according to safe work practices and safe job procedures
- Ensure good housekeeping in the work area at all times
- Additional duties include assisting the geology staff with technical measurements and data input, and other tasks as required

Qualifications and Experience:

- Previous experience is preferred but not necessary as we willing to train the right person
- Excellent verbal and written communication skills in English
- Ability to work independently and in a team environment to complete daily activities according to work schedule
- Physically able to lift a minimum of 25 kg
- Ability to work a two-week, one-week off rotation schedule
- Ability to maintain a high level of performance over a 11-hour shift

Salary: Based on experience

Camp Based: Transportation, room and board provided
