

EMPLOYMENT OPPORTUNITY WITH BANYAN GOLD: Site Services and Maintenance Manager

Banyan Gold Corp. (“Banyan”) is a TSX Venture mining company focused on advancing its AurMac Gold Project, near Mayo, Yukon adjacent to Victoria Gold's Eagle Gold Mine. To learn more about Banyan, visit www.banyangold.com.

Job Description

Banyan is looking to hire a **Site Services and Maintenance Manager** at our AurMac Gold property located in Mayo, YT to join our team to help advance a variety of mineral exploration projects throughout the 2021-2022. This position is responsible for managing the service and ensuring maintenance of Banyan's exploration camps, with the assistance of some skilled tradesmen, equipment operators and labourers involved in repairing and maintaining the various equipment.

This position will be field based and is anticipated to begin in October and the job will continue through 2022.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

Main Tasks and Responsibilities:

- Maintaining and managing the service at site, including fueling and maintaining generators, filling water tanks, repairing and maintaining buildings and related infrastructure as needed and on a regular schedule
- Assisting in continued camp building, working with tradesmen, gasfitters and etc. as needed
- Working to ensure site is maintained in a safe manner, including implementing and ensuring compliance with Banyan's OH&S programs, including all COVID 19 protocols
- Maintaining production goals and objectives as a team
- Planning and organizing maintenance jobs safely and within a budget
- Maintaining inventory of supplies needed to maintain sites
- Performance reports and remedial action as required
- Working with others, including general labourer, monitoring and coaching of crew members to ensure repairs, rebuilds, installation and fabrication are performed efficiently, effectively and ensuring that proper operations and safety procedures are adhered to
- Promote and participate in ongoing training
- Promotion of cross-cultural relations and understanding
- Practice and promote company environmental, health, safety and operational policies and procedures
- Obtain and maintain first aid certification
- Other duties as assigned

Qualifications and Experience:

- Valid Class 5 Driver's License – required (Class 1 or 3 license an asset)
- Previous experience in operating and basic repairs of various types of mobile equipment

- Some carpentry and general maintenance skills
- Standard first aid certificate is an asset
- Trade qualifications are an asset
- Yukon first line supervisor ticket is an asset
- 3-5 years' experience, preferably in mining environment
- Previous supervisory experience is required

Salary: Based on experience

Camp Based: Transportation, room and board provided at no cost

How to Apply:

Please submit your resume with the email subject line "**Site Services and Maintenance Manager**" to info@banyangold.com. Thank you to all applicants for your interest and effort in applying for this position. Only candidates selected for interviews will be contacted.
