Job Description

Banyan is looking to hire a **Project Manager/Geologist** at our AurMac Gold property located in Mayo, YT to join our team to help advance a variety of mineral exploration projects throughout the 2021-2022 field season.

This position will be field based reporting to the Exploration Manager. The start date is anticipated to begin in October (and variable) and the season will run until approximately early December 2021 and resume in approximately February 2022 for the 2022 field season.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

Main Tasks and Responsibilities

- Logging and sampling of core, data entry from core logging
- Some core cutting may be required
- Core sampling
- Core photography
- Collection and interpretation of geological data from exploration programs, including diamond drilling, field mapping, surface sampling, and re-logging
- Maintain health, safety, and environmental standards
- Other duties as assigned

Qualifications and Experience:

- Training in Geology/Exploration with a Bachelor's or Masters degree in Geology or Earth Science (1-5 years' experience in mineral exploration) preferred
- Experience with working in Yukon and/or drilling/operating in cold weather
- Experience managing large work programs 3+ drills
- Standard first aid (asset)
- Proficiency with Microsoft office and geological software is an asset
- Strong organizational, planning and time management skills
- Ability to effectively manage a busy work environment and prioritize tasks
- Strong communication and people management skills
- Self-motivated and ability to work alone
- Strong analytical and problem-solving skills
- Yukon First Line Supervisor's Certificate (asset)
- Valid driver's license

Salary: Based on experience

Camp Based: Transportation, room and board provided at no cost

Schedule: 3 Week on site rotations preferred, flexibility on schedule

How to Apply:

Please submit your resume with the email subject line **“Project Manager/Geologist”** to info@banyangold.com. Thank you to all applicants for your interest and effort in applying for this position. Only candidates selected for interviews will be contacted.
